LETTER OF ENDORSEMENT

The EURYPAA 2017 convention was held on August 4th-6th 2017 in Helsinki, Finland.

The gathering recieved from 300 to 400 guests attending various meetings in numerous locations in central Helsinki.

The convention was very well organised and a firm spirit of recovery and understanding was present at all times. The 12 Step Program was evidently embraced all through the weekend, and the traditions of the fellowship were respected in loving spirit throughout the convention.

All experiences were positive and inspiring and the promise of welcoming alcoholics of all ages was fulfilled generously.

The Finnish AA-Service hands all it's support to the EURYPAA board and warmly recommends their work as a valuable part of the help offered to the still suffering alcoholic.
